WORK EXPERIENCE

- The Bay Pointe Club - Onset, MA** **June 2025 - Present**
Pro Shop Assistant
- Support daily course operations including check-ins, tee time scheduling, pace-of-play, and guest services.
- CENTRO Inc Nonprofit - Worcester, MA** **Sept 2024 - July 2025**
Web Developer
- Partnered with CENTRO staff to design and launch a custom Django site with a mobile-responsive layout and SSL-secured deployment on DigitalOcean.
 - Built dynamic admin tools for staff content updates and configured full production infrastructure (PostgreSQL, Unicorn, NGINX, automated backups), reducing hosting costs by 40%.
- WeCan Initiative - Worcester, MA** **Oct 2024 - May 2025**
Software Developer
- Co-led the design and development of a full software system with a Django web platform and mobile app, enabling user scheduling, redemption tracking, and donations to local nonprofits.
 - Built custom admin tools for staff to manage pickups, user accounts, and communication workflows, while ensuring long-term scalability and alignment with WeCan's sustainability-focused mission.
- Inner Voice Outer Change Nonprofit - Worcester, MA** **Feb 2024 - Nov 2024**
Web Developer
- Built a custom Django-based website for IVOC to showcase programs, accept donations, and embed media, giving the nonprofit a mobile-friendly platform with full staff control via the admin panel.
 - Led the full development cycle, from design to deployment, ensuring scalability, content flexibility, and long-term sustainability aligned with IVOC's outreach goals.
